8th November 2023

Dear Parents and Carers at Weston Shore and Weston Park,

Re. Weston Shore Ofsted Report 2023.

As you will remember, Weston Shore Infant School had an Ofsted Inspection on Tuesday 3rd October and Wednesday 4th October 2023. We have now been sent the final report and we are able to share this with you.

We are absolutely delighted with the outcome for all of the children, for you as parents/carers and for the staff that Ofsted have recognised Weston Shore as a wonderful school for pupils to attend.

As you know, Weston Shore and Weston Park are federated schools, which means we work together on everything. We are two schools but we are one team and we are all delighted for Weston Shore to have received such a glowing outcome.

We are all so proud of this report and would like to thank all of you for your support.

Well done, Weston Shore Infant School. What a triumph.

Mr. J. Wiltshire
Executive Headteacher
Weston Park Primary and Weston Shore Infant Schools

Weston Shore Infant School, Foxcott Close, Weston, Southampton SO19 9JQ
