

Weston Schools Federation Weekly Winners & Attendance Newsletter

Celebration - Friday 23rd October 2026

By working hard and meeting our core values - being **safe, responsible, respectful** and being a **learner**, - pupils thrive academically and socially, becoming well-rounded individuals ready to succeed in school and beyond.

Congratulations to the following children who have been awarded the 'Pupil of the Week' certificate this week for upholding the Weston Schools' Federation core values.

Weekly Appreciations

At Weston Schools Federation, one of our key Oracy Benchmarks is **“Values Every Voice.”** This reflects our commitment to ensuring that every child is supported to take part confidently in spoken language activities and to know that their ideas matter.

This week, our children have been practising this benchmark by expressing gratitude and sharing kind words with others. **Below, you’ll find some of the thoughtful messages of thanks they have chosen to share.**

Year 1 - Lily-May- "I appreciate Hallie because she is a really good friend and plays with me at break time. "

Year 2 - Rosa - " I would like to show appreciation to Isabelle G because she held the door open for me."

Year 3 - "I want to show appreciation to Axl for playing guess who with me so well." Emmie-Lou

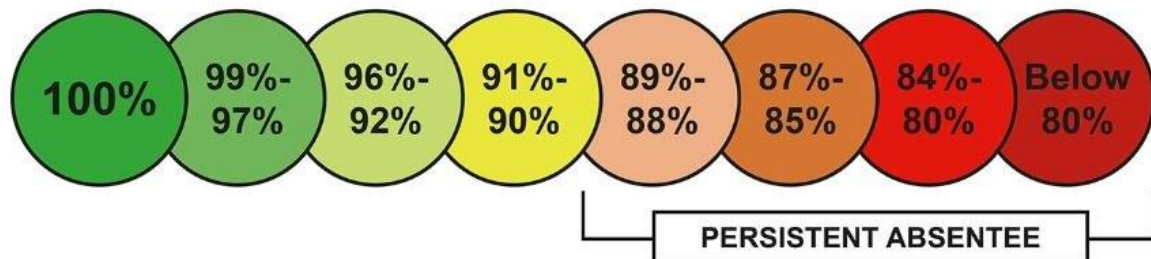

Year 4 - "I appreciate Catelyn for helping me with my learning" ~ Jacob

Year 5 - "I appreciate Mrs. Davey for helping me in class." ~ Slade

Year 6 - "I would like to show appreciation to Mrs Taylorson & Mrs Dugdale for helping the school all the time" ~ Blaine

ATTENDANCE MATTERS

On Time: First Time, Every Time

Which CIRCLE are you in?

The government have placed huge emphasis on the monitoring of attendance in schools and have published guidance on 'improving attendance in school'. This initiative stems from vast research that proves that children who achieve great academic success in Year 6 (KS2 SATs) and Year 11 (GCSEs) are those same children who have good attendance in school above 96%. We want (as I am positive you do too) for your child to have the best opportunities in life and to grow up to be successful young adults. To ensure this, it is our joint responsibility to ensure children receive their entitlement and right to an education, this means attending school every day. We have shared with you our school's approach to managing and challenging poor attendance. If you have any questions, please feel free to contact us.

Moments Matter/Attendance Counts. We are working hard to support you and your children overcome their barriers to attending school every day and on time - if you need help or support please see Nicki Windle, Charlotte Dugdale. Let's work together to make sure your children don't miss out!

Weekly Attendance

Due to extreme numbers of absences, unfortunately we have no winners at both Weston Park or Weston Shore this week. We look forward to seeing an improvement when we return for the Autumn 2 term.

Safety at Weston Schools' Federation

At Weston Park Schools Federation, we learn how to stay safe in lots of ways. Our curriculum teaches children about online safety, road safety, health and wellbeing, and how to keep themselves and others safe. Pupils practise speaking up, asking for help, and making sensible choices. Assemblies, visitors from the community, and regular drills help reinforce key messages, ensuring children feel confident, supported, and safe every day at school. Working together builds trust, awareness, and responsibility across our school community.
